5G data if you're planning to use it more often.*

This caddie book was created for the Pumpkin League of DiscGolf040.

**Layout designer:** Justin Hen

**COMPETITION DATES (SATURDAYS):**

- October 3, 10, 17, 24, 31
- November 7, 14, 21, 28
- December 5, 12, 19

On these dates: play as many rounds as you like with at least one other competing person on your card in UDisc. Best score on each Saturday counts for that day. Best 8 days out of 12 count for the end ranking.

Starting holes to minimize interference: Hole 1, Hole 8, Hole 11, Hole 4.  
If two cards conflict, the higher-numbered hole takes priority.

Please find more information about each mando in the appendix.  
In case of questions, ask in the Whatsapp group of DiscGolf040.

*Note: All distances mentioned in this caddie book are straight lines.*

## ***DROP ZONE HOLE 6 (27M TO BASKET):***

1 meter behind the left goal post. The mando line goes through both goal posts.

## ***DROP ZONE HOLE 10 - MANDO 1 (90M TO BASKET):***

1 meter left of the mando tree. The mando line is between the tree and the sign with 'kinderboerderij' located on the path.

## ***DROP ZONE HOLE 10 - MANDO 2 (71M TO BASKET):***

1 meter right of the mando tree. The mando line is between the tree and the tee sign close to the bench.

## ***DROP ZONE HOLE 11 (48M TO BASKET):***

On the path, next to the mando tree. The mando line goes through the tree and the closest bike rack.

## ***DROP ZONE HOLE 12 (39M TO BASKET):***

1 meter left of the mando tree. The mando line goes through the tree and is perpendicular to the closest path.
